This index is in two sections. The Subject Section is an alphabetical index to articles, and such features as Research Reporter and Researcher's Bookshelf. Geographic entries are listed by some cities, states or provinces, or countries. The Name Section is alphabetical by surname of author; if author has more than one given name, initials are used, e.g., Smith, John; Brown, I. M. Abbreviations used are: **(bk rev)**—book review; **(ed)**—Editorial; **(GE)**—Guest Editorial; **(QA)**—Research Q and A; **(RR)**—Research Reporter; **(L)**—Incoming Mail. Subject headings are the same as those used in **International Nursing Index** and are based on the medical subject headings published by the National Library of Medicine.

NURSING RESEARCH is published six times a year by the American Journal of Nursing Company, 555 West 57th Street, New York, New York 10019.
